

KLOVE is one of the best things that has ever happened to Oklahoma City. It has a positive and encouraging message and great music without commercials 24/7. Whenever I am having a troublesome day, there is always something on KLOVE that lifts me up, and I believe it does the same for everyone that listens to this station. I believe Oklahoma City is a better place by have KLOVE broadcasting here. Please do not take my KLOVE away!!!

Thank You.
